

Interac Mail Fraud Alert

There is a mail scam circulating in Western Canada. A promotional letter wrongfully associated with INTERAC notifies you that you have won a large cash prize. A seemingly legitimate cheque is enclosed along with instructions to use the cheque to pay clearance fees on the prize. The cheque will not clear, leaving you out of the money used to pay the fees.

No financial institutions have been identified in the letter. Please be aware that this is a fraudulent letter and do not attempt to deposit the cheque.
